Issue / Risk	Description	Probability (H/M/L)	Impact (H/M/L)
Consumer demand	Will there be enough people to buy the products?	H	H
Market value	What will be the right product and the right price?	H	H
Navigating supply chain		H	H
Transportation		M	M
Start Date:	June 2024	End Date:	

Category of Activity:	Creativity & Service <i>(tick appropriate categories)</i>		
Which Strand does your CAS project fit in? It needs to fit into 2 Strands			
Learning outcomes that will be achieved	1, 2, 3, 4, 5, 6 & 7		
CAS Advisor Name:	Ms. Natasha Ballal	Designation:	CAS coordinator
CAS Advisor Email:	natashab@kis.in	Contact No:	9986702663
Name of beneficiary, if applicable:	Community of Kodi		
Contact Person:		Contact No:	
How are you following the 5 CAS Stages? For each CAS stage, describe what you plan to do.			
1) Investigation	a) conducting surveys, researching sustainable fashion brands b) Supply resources c) Identify local woman in the community d) Identifying places / shops to sell the products		
2) Preparation	a) Making prototypes b) Outreach strategies		
3) Action	Teaching local women to sew and sustain the business, begin manufacturing and selling sustainable clothing and products while working with local women, and prioritizing fair wages and ethical practices.		
4) Reflection	Improve the business aspect of the project, include more women and make it self sustainable.		
5) Demonstration	Showcase the products and also share learnings with the community.
