TO WHOM IT MAY CONCERN

This is to certify that **Mr. Snehashish Laskar**, C/o- Mr. Suman Laskar, resident of Flat No. E-807, Janapriya Lakefront, Yellareddyguda, Kapra, Hyderabad, interned with Harsha Trust from **15th April 2023 to 15th July 2023 (During Summer 2023), 1st December 2023 to 31st December 2023 (Winter 2023) and from 15th May 2024 to 15th July 2024 (Summer 2024)**. During his internship, he completed the following deliverables;

1. Designed a cross-platform mobile application to capture data on vaccination and deworming of livestock from 74 blocks in 17 districts in the state of Odisha
2. Implemented an information system with a database to store and record all existing ground operations and adjust for future changes with an estimated record of over 100000 to 150000 beneficiaries.
3. Developed a web interface with a dashboard to display graphs and statistics which will be used to optimize the vaccination and deworming programs.
4. Spent a week in field visits to Hatadihi and Bissamcuttack to assess and model the data collection process.
5. Provided training to the MIS team on how to use the system effectively and wrote a detailed 24 page manual and documentation to be sent to all team leaders for further training.

We found him sincere and efficient enough and his conduct and character were very satisfactory.

Best of luck for future endeavor.

Sincerely,

Sweta Saha
